Here’s the scoop. Boxes will be set up in each hall on Monday, April 29, for the collection of unwanted items that are still in good condition. If you see any items in the boxes that you want, you may take them. To keep collection area neat, items will be collected when the bins become full and stored for later donation. Food and clothes will be donated to the local food pantry at the First Baptist Church. Other items will be donated to The Renaissance Shoppe, a volunteer-run New London thrift store that raises funds for the Lake Sunapee Region Visiting Nurse Association and Hospice.

If you have a bicycle that you would like to donate to the Charger’s Stable, the on-campus bike sharing program, please bring it to Campus Safety located in James House. Safety officers will see that all donations are refurbished as needed.

Please Note: You may not leave furniture without prior written approval.

If you have a large piece of furniture that you would like to donate, you may contact Janet St. Laurent at jstlaure@colby-sawyer.edu. She will arrange to view the furniture and, if it is in acceptable condition, will provide a form permitting you to leave the item in your room when you check out for the year. Please note, you will be charged for leaving furniture without permission.

Thanks for helping to conserve resources.
