Connecting to the Colby-Sawyer College Wireless Network

IMPORTANT NOTE: NOT ALL WIRELESS NOTEBOOKS OR ADAPTERS WILL CONNECT TO THE CSC WIRELESS NETWORK.

Assuming that you have a compatible, enabled wireless adapter in your laptop and you are in an area that has Wireless Network Access (listed below), you will need to follow the simple procedure below in order to connect to Colby-Sawyer’s network.

Campus Areas with Wireless Coverage:

1) The Susan Colgate Cleveland Library
2) Ware Campus Center
3) Lethbridge Lodge

Procedure:

1) Power up your computer.
2) Open Internet Explorer.
3) You will see the following popup messages. (Figures 1-4).
4) Click OK for the popup message asking you to view pages over a “Secure Connection”. (Figure 1)
5) Click YES for the popup message asking you to proceed accepting the “Security Certificate”. (Figure 2)
6) Enter your Colby-Sawyer Username and password when prompted. (Figure 3)
7) Click OK for the popup message asking you about “Redirection to a NON-Secure Connection”. (Figure 4)
8) You are now connected to the wireless network and should have access to resources similar to that which you have from your “Wired” connection.

Figure 1. Click OK.
Figure 2. Click Yes.

Figure 3. Enter your Colby-Sawyer user account ID and password.

Figure 4. Click Yes. You should now have an internet connection.
