ADVENTURES IN LEARNING

Online Registration and Payments
Storefront, Colby-Sawyer College’s secure and protected online payment service, allows AIL members to pay their membership dues online with a check or credit card AND register and pay online for courses.

Perhaps the single most compelling reason for our members to use Storefront is that they know immediately if they are in a course or if the course is full. Another reason to use Storefront is that members can register for one or more courses, register their spouse for one or more courses and pay their membership dues all in one transaction.

Although everyone is encouraged to use Storefront, members may continue to mail in or drop off their membership dues and course registrations at the AIL Office. You can also call the office and pay with a credit card or check.

Storefront Points to Remember
☐ Storefront does not save any financial information, so the wording will always say, “Enter new credit card or check information;”
☐ Storefront can accept only credit card and electronic check payments; and
☐ At “Checkout” an email address is mandatory. If you do not have an email address, please use adventures@colby-sawyer.edu.

If you have any questions about Storefront, Janet and Marianne are standing by in the AIL Office to assist in any way they can. Please call them at 526-3690 (Janet) or 526-3434 (Marianne).
