Since 1997 college and community members have come together at the Colby-Sawyer Golf Classic for an enjoyable annual event that benefits our students. Members of the college community have joined area residents each year for a day of golf, team play and friendship, while also supporting education through the Colby-Sawyer Scholarship Fund.

This year the Chargers Club, the Colleges’ athletic booster club, will begin hosting the Golf Classic. Profits generated from this event will benefit both the academic scholarship fund and the varsity athletic program.

The Chargers Club has provided support for Colby-Sawyer College’s athletic teams for more than 25 years by providing the “extras” that allow the varsity program to stand out among the top teams in New England. Thank you for providing support to our students by participating in our tournament.
