Gender & Athletics at Colby-Sawyer

Varsity Sports

Colby-Sawyer honors the NCAA Policy on Transgender Student-Athlete Participation which commits to diversity, inclusion and gender equity among student-athletes, coaches and administrators. For more information about NCAA and their inclusion policies, visit [ncaa.org/about/resources/inclusion](https://www.ncaa.org/about/resources/inclusion).

Intramural and Club Sports

When an intramural activity or club sport separates men from women, individuals may participate in the activity based on their gender identity. If an individual's gender identity does not fit within the binary framework of man/woman, that individual may choose the most appropriate gender designation.
