

Fellowship Organization:

Dartmouth College Athletics / Strength and Conditioning Department

Fellowship Position Title:

Strength Coach: Dartmouth College

Fellowship Address:

Dartmouth College

6083 Alumni Gym, Hanover NH 03755

Floren Varsity House, 2nd Floor

Fellowship Supervisor Name:

Spencer Brown: Director of Strength & Conditioning

Kayleigh Fournier: Associate Director of Strength & Conditioning

Fellowship organization Information:

At Dartmouth College Strength & Conditioning, we are committed to offering our athletes the best possible experience. We want every athlete to have access to every tool to develop physically, psychologically, technically, and tactically. This means providing the student athlete with a knowledgeable staff that is available throughout the year. We have hired some of the best coaches in the field and are continuing to recruit and develop the next generation of great Strength and Conditioning coaches.

The Dartmouth College Strength and Conditioning Fellowship Program is a rare opportunity in this field for aspiring coaches to get real hands-on experience with 35 varsity sports with national-caliber athletes and coaches. We are committed to the development of our athletes and the people that work with them.

Fellowship Responsibilities:

Hours per week: 20-25

It will be the responsibility of each successful candidate to create a comprehensive physical preparation program for multiple varsity sport teams, attend all staff meetings, complete educational requirements, and participate in professional development activities. Schedules will be individualized based on class schedules and coaching assignments.

Qualifications/Pre-requisites

Required: Care, Respect, Accountability, Certification: currently holding or working towards obtaining CSCS or CSCCa, and CPR/AED/FIRST-AID.

Preferred: Experience training/coaching in a structured environment, intrinsically motivated
