As host:

- I understand that as a CSC student I may host another CSC residential or commuter student overnight with the permission from my roommate(s).
- I understand the CSC Student Guest must complete a CSC Student Guest Registration Form. I further understand that this form must be signed by all roommates authorizing the CSC Student Guest to stay overnight. Forms without all of the roommate's signatures will not be accepted.
- I understand the total number of student guests and residents may not exceed the room occupancy posted for that space.
- I will ensure my guest complies with all policies and the rules.
- I understand that I can only host a guest for no more than two nights in any seven-day period.
- I have obtained permission from my roommate(s) for this guest to stay for the above identified time and dates prior to this visit.
- I understand that it is the right of every student to have privacy in his/her assigned room at any time.
- I understand that no student should at any time feel obligated to relinquish that right. Use of a student room for visitation will be with the mutual agreement of all roommates.
- I understand that my roommate has the right to disapprove the guest registration at any time.
- I understand that it is the right of any resident of a room to ask a guest to leave. Students should seek Residential Education staff or Campus Safety assistance if a guest refuses to leave when requested.
- I understand that in the interest of preserving privacy, any student entertaining guests in their rooms may be expected to move to, or meet in common areas with their visitors.
- I understand that I, the host of the guest, am responsible for activity taking place or property stored in that room, whether or not I am present. It is essential that all students lock their doors when they leave their rooms.
- I understand that residential students (to include myself) that have concerns about visitation should first contact a Residential Education staff member.

I have read the above Host Agreement and my signature confirms that I understand and accept these responsibilities. By signing I also acknowledge that I will be held accountable for the actions of my guest, any violation of the Code of Community Responsibility and/or any resulting damage.
