

Early Arrival Program for Spring 2023

The early arrival period will begin at 9:00am on Monday, January 2, 2023. Residence halls reopen for all students on Monday, January 16, 2023. There are three categories of students who should complete an early arrival application:

- **Affiliated Early Arrival Students** (students who are required to return to campus early by a college department or program) will be provided with their arrival date and other instructions by their program leader. You should confirm that *your program leader* has submitted your name, purpose/program, arrival date, and start date for meals (if applicable) to the office of Residential Education at residential@colby-sawyer.edu
- **Voluntary Early Arrivals** (students who are not required to return to campus early, but choose to return because of travel or local employment) may choose their arrival date, and will be assessed a housing fee of \$25 per night.
- **Students Enrolled In January Term Classes** may choose their arrival date, and will be assessed a housing fee of \$25 per night.

All students must be financially and medically clear before they may return to campus.

Some affiliated early arrival students will have the cost of meals paid for by their department/ program. Students returning as Voluntary Early Arrivals may purchase individual meals in the dining room once it has reopened by using funds they deposit in their SmartCard account. Affiliated early arrival students should contact their program leader directly with questions about meals.

All early arrival students must complete and submit an early arrival application through the Residence online housing system by clicking here: <https://colby-sawyer-residence.symlicity.com>
